

K9 Coaches present:

Fun with Your Feline

Sunday, April 11th & 18th

2:00 pm

Who says only dogs can do tricks or learn commands!?

This 2-part workshop will explain how you can train...yes train...your feline to do things a dog can do! Games and ideas on how to enrich your felines' environment will also be presented.

Felines are optional at the first class; however, this may be a good time to let them experience the new environment while in their carrier. Then the second class the come to - we will work with them.

Felines must be on a harness & leash* or in a crate for both classes.

* *Come with Me Kitty* harness kits will be available for purchase.

Felines must be FELV negative and free of any colds.

Felines will not have interaction with other felines in the class.

To sign-up fill out an enrollment form for the Berea location, mark "Workshop" and write Fun with Your Feline. Forms can be mailed to K9 Coaches at the Berea location or dropped off during a class or play group.
